

VICTORIAN NOTICE TO MARINERS

The following Notice to Mariners is published for general information.

Barwon Heads, 16 May 2024
AUSTRALIA – VICTORIA

No. 203(T) - 2024

LOCAL PORT OF BARWON HEADS

Barwon Water - Rising Main Works – Barwon Heads - Barwon River - Geelong Road

Date: Effective from 20 May 2024

Details: Excavation water is proposed to be discharged into an existing stormwater drain that outfalls to the Barwon River estuary, during the above project.

Water quality testing will be undertaken daily in the first week and twice weekly thereafter.

Erosion protection works have been considered to protect the riverbed and seagrass beds at this point location. A temporary placement of a rock mattress in front of the stormwater outlet to intercept the water and dissipate the energy from moving water will be used for this process.

The erosion mattress will be placed at approximate location (WGS84) 38° 16' 31"S, 144° 29' 48"E (See attached Plan 1)

Mariners, anglers, river users and vessel operators are advised to keep clear of this area during the works period.

Charts & Publications Affected: AUS143

Further Notice: A further Notice will be issued upon completion of the works.

This Notice to Mariners is issued by the Barwon Coast Committee of Management Incorporated, delegated Local Port Manager. If you require any further information, please contact Barwon Coast on (03) 5254 1118.
